

WAHHI COVID Policy Update - Feb. 28, 2022

Public Health data now puts Beaufort County in a low risk category for COVID spread. CDC guidance has been issued that masks are no longer recommended for public indoor spaces in low risk areas.

Therefore, effective as of this date, WAHHI no longer requires masks for large or small, indoor or outdoor events or activities, including Interest Groups. However, please maintain respect for the health and safety of all members and remain at home if you are feeling unwell.

Betty Hambleton, WAHHI President 2021-2022
